### **Circus Skills Workshop**

Dear Parents and Carers,

The Friends of LIS are very excited to announce that we have organised for the children to participate in some circus skills workshops, to coincide with Happy's Circus on May 19th.

This will take place on Monday 14th May and Wednesday 16th May. This will include an assembly with the whole school, then every class individually having a circus skill session across the two days.

We are asking for a very small voluntary donation of £1 towards the cost of this event. This can be given in to the class teacher or given to the school office.

A very limited amount of circus tickets are still for sale on the school gateway app.

We are still looking for volunteers for the circus, whether before or after to help set up and tidy up. even if it's only a short amount of time. If you are free and willing, please let the school office know or via the Friends facebook page.

We hope the children will be just as excited as we are about these great upcoming events!

The Friends of LIS
